

## BAD CHECK ARTIST REAPS HARVEST HERE

Indiana State Paper Passed  
Saturday Evening, Feb. 20, it  
is Revealed Today

### OTHERS MAY BE REVEALED

Five of the Checks Were For \$16  
And One for \$10—Fraud Not Re-  
vealed Until Today

A bogus check artist worked suc-  
cessfully in Rushville Saturday  
evening, reaping a harvest on six  
checks accounted for today, totalling  
\$90, and there is a possibility of  
more checks of a similar nature  
which have not been discovered.

Of the checks presented, five were  
for \$16 and one for \$10. The check  
artist picked an opportune time,  
and had several hours in which to  
escape before the banks were open.

The checks in all instances were  
presented after the banks had closed  
Saturday afternoon, and as Monday  
was a holiday, the checks could not  
be presented until Tuesday, and in  
several instances they were not  
presented until today.

All of the checks were drawn on  
the Rushville National bank. They  
were made payable to R. L. San-  
derson, and signed by F. H. Moore,  
and in one or two instances, the sig-  
nature was Frank H. Moore, who is  
unknown here at any of the banks.

The man who represented himself  
to be Mr. Sanderson, made pur-  
chases at all places where he pre-  
sented the checks, and obtained the  
balance in currency.

At the Zimmer Shoe store he pur-  
chased a pair of shoes and gave a  
check for \$16. He received one-half  
in cash. He left the shoes, and re-  
turned several hours later and took  
them away, and at the same time  
looked over several pair of hose with  
the intention of buying, but stated  
that he had given all his money to  
his wife, and was probably making  
a "hint" that he could write a check  
for an additional purchase, but he  
left and said he would be back with-  
in a couple of weeks and buy the  
hose.

At the Kroger grocery in Main  
street, he bought a small amount of  
groceries, and presented the \$16  
check, and when questioned con-  
cerning the genuineness of it, he em-  
phatically told the clerk that the  
person was alright, and that he  
would "bank a \$1,000 on it."

He appeared at the F. B. Johnson  
drug store during the supper hour  
and made a purchase, but the clerk  
couldn't remember the transaction.

## ANNUAL BANQUET IS ATTENDED BY 92 GUESTS

The Rev. S. S. Offutt of Browns-  
burg Addresses Young Men's Cir-  
cle Following Dinner

### ENTERTAINMENT PROVIDED

The annual banquet of the Young  
Men's Circle of the Main Street  
Christian church Tuesday evening  
in the basement of the church, was  
one of the most successful ever  
given by the class. The success of  
the evening was in part due to the  
loyal help of the Loyal Daughters  
Class, who prepared the banquet.

Covers were laid for eighty-two  
guests and the banquet tables were  
appropriately decorated. A splendid  
program was given following the  
serving of the banquet, Ross Toles  
president of the class, acting as  
toastmaster.

Short talks were given by the  
Rev. S. S. Offutt of Brownsburg,  
who spoke on "Value of Friend-  
ship," Gibson Ross on the progress  
of the class and its future plans;  
and Roy Mitchell, ex-president of  
the class, who prepared a history of  
the organization. George C. Wy-  
att, the "grand old man of the  
class," who although not a member,  
is always interested in its affairs,  
was present and responded with a  
speech when called on by the toast-  
master.

Special music was furnished  
throughout the evening by the or-  
chestra of the church and also by  
a male quartet, composed of Wil-  
liam Russell, Frank Gardner, Roy  
Thomas and Edward Myers.

## OVER 100 MASONS EXPECTED

Judge Arthur Robinson of Indiana-  
polis to Speak at Banquet

Approximately 110 Masons are  
expected at the banquet to be given  
at the Masonic Temple Thursday  
evening at 6:30 o'clock, at which  
Judge Arthur Robinson of Indiana-  
polis will speak. Ninety-six Masons  
had responded to invitations, indi-  
cating they would be present, today,  
and the committee in charge pre-  
pared to take care of ten or fifteen  
others who may want to attend, but  
have neglected to return their cards.

The banquet will be served by  
members of Martha Poe chapter,  
Order of Eastern Star. Judge Ro-  
binson is well known in Rushville,  
where he has spoken before. He is  
gifted as a public speaker.

## STATE RELIEF FUND IS NEAR \$25,000

Every Effort Made to Increase Fund  
For Relatives of Mine Blast Vic-  
tims to \$100,000

### RED CROSS IS IN CHARGE

Will H. Hays, Former Sullivan Res-  
ident, Joins Relief Workers—In-  
quiry to be Resumed

### Contributions for Blast Victims to be Received

Contributions to be applied  
to the state fund being raised  
for the Sullivan, Ind., mine  
explosion victims, will be re-  
ceived by the Daily Republican  
and will be forwarded to Sulli-  
van as a gift from the people of  
Rush county.

The Daily Republican decid-  
ed to receive cash gifts for  
the fund, after the suggestion  
was made by a Rushville man,  
who gave \$10.

An appeal to the citizens of  
Rush county was received  
from the Red Cross Tuesday,  
calling attention to the dire  
need of the survivors of the  
51 miners killed in the blast.

(By United Press)

Sullivan, Ind., Feb. 25—The state-  
wide relief fund for relatives of  
miners killed in the City mine explo-  
sion was estimated by Red Cross  
workers today at between \$20,000  
and \$25,000, including the \$10,000  
appropriation of the state legisla-  
ture.

Every mail brought additional  
contributions from cities throughout  
the local relief committee was direct  
butions were sent in by telegram.

The international organization of  
the United Mine Worker wired  
\$1,000 for the relief fund.

Every effort of Red Cross workers  
headed by Henry Baker, national  
director of disaster relief work, and  
the local relief committee was direct-  
ed toward raising the fund to the  
\$100,000 quota.

Will H. Hays, former Sullivan res-  
ident and "czar" of the movies,  
joined in the relief work today.  
Hays hastened to Sullivan from Cal-  
lup, N. M., upon hearing of the dis-  
aster.

"The enormity of the disaster in  
a town the size of Sullivan is ap-  
palling," Hays said. "There is hard-  
ly a home that has not been touch-  
ed directly or indirectly by the tragedy."

"Citizens of Sullivan are making  
heroic efforts to meet the emergency,  
but help from the outside is badly  
needed."

Community memorial services will  
be held at 1 o'clock this afternoon  
on the court house square for the

## CONFERENCE REPORT ADOPTED

House Almost Unanimous in Pass-  
ing Postal Bill

Washington, Feb. 25—The con-  
ference report on the postal salar-  
ies and rate increase bill, was  
adopted by the house by a vote of  
370 to 5. The bill as modified by  
Senate and house conferees, car-  
ried rate increases estimated to  
yield an additional \$60,000,000.

Action must be taken on the re-  
port by the senate before the meas-  
ure is sent to the president.

## PRETTY SOFT!

## Franklin Will Pay Off Debt On High School Gym This Year

Building Erected as Combined Com-  
munity Building and Gymnasium  
in 1920 at Cost of \$30,000 Will  
be Free of Debt in Few Months.

An example of how quickly a  
gymnasium can pay out of debt,  
was found on a visit to the Frank-  
lin high school gym last Friday by  
Rushville people interested in the  
project for this city. The new gym  
there will be out of debt at the  
close of the present basketball sea-  
son.

It was erected in 1920, and five  
years later is to be free of debt,  
and their investment of slightly over  
\$30,000 is clear, and represents  
something worth while.

At Shelbyville the gymnasium  
was described Tuesday as being  
constructed by city school bonds,  
and the one at Franklin is a still  
different type of financing, in which  
the school board assisted in the  
proposition.

In 1920 the people at Franklin  
began the agitation for a new build-  
ing, and the school board was ap-  
proached on several occasions with  
requests that a building should be  
erected.

The sentiment grew, and the  
members of the school board, in  
order to find out the full strength of  
that sentiment, appointed a day on  
which, it was announced, the city  
would be canvassed to sell season  
tickets.

On that day a group of high  
school seniors was chosen to make

the canvass. One thousand of the  
season tickets were printed and  
given to the students to see how  
many they could sell. Only a few  
hours elapsed, and all of the ticket  
sellers reported back to the school,  
and every single one of those 1,000  
tickets had been sold for \$5 each.

This response was interpreted to  
mean that the sentiment in favor of  
the movement was sufficiently  
strong to justify the school board to  
make a bond issue for the remain-  
ing amount required.

## MAJORITY TO USE FORCE IF NEEDED

Republican Members of State Sen-  
ate Vote to Compel Striking De-  
mocrats to Attend

### MINORITY IN ULTIMATUM

(By United Press)

Indianapolis, Ind., Feb. 25—Dem-  
ocratic members of the state senate  
fled from the city this afternoon to  
escape arrest for refusal to attend  
the session.

Indianapolis, Ind., Feb. 25—Re-  
publican members of the state sen-  
ate in caucus early this afternoon  
voted to compel attendance of  
striking democratic members at the  
session.

From their rendezvous in a hotel  
room, the democrats sent back word  
that they would not attend until the  
Penrod "Jerry-mandering" bill is  
withdrawn.

The striking democrats face ar-  
rest by warrants for deliberately  
breaking a quorum.

Republican leaders said the sen-  
ate would go ahead with its work if  
they had to lock their door and  
bring in state militiamen to keep the  
democrats in their seats.

They flatly refused to meet the  
Democratic ultimatum pending with-  
drawal of the Penrod bill.

Business in the senate was at a  
complete standstill because a quor-  
um could not be mustered without  
the presence of democratic members.

The democrats contend that the  
Penrod bill is backed by the republi-  
cans for the sole purpose for mak-  
ing the second-congressional district  
safely republican by transferring  
Lawrence county, republican strong-  
hold, to the district.

The Penrod bill proposed to trans-  
fer Lawrence county to the second

## CONNERSVILLE MEN START TERM TODAY

Carl Hackleman, Jewelryman, and  
Fred Swift, Patrolman Sentenced  
to Prison For 2 to 14 Years

### OTHERS GO TO REFORMATORY

Cyril Johnson, Howard Thomas and  
George Allen Must Serve Like  
Sentence—all Are Fined

(By United Press)

Connorsville, Ind., Feb. 25—Carl  
Hackleman, jewelryman, and Fred  
Swift, patrolman, were to be taken  
to the state reformatory at Michi-  
gan City today to start sentences  
of two to fourteen years. Swift was  
fined \$5,000 and each of the others  
was fined \$10 and costs.

Cyril Johnson, Howard Thomas  
and George Allen were to be taken  
to the Pendleton reformatory, to  
start a like sentence.

The five men pleaded guilty to  
robbing the payroll clerk of the In-  
diana lamp company of \$6,000 last  
December.

Swift, who entered a plea of not  
guilty Monday morning, changed his  
plea to guilty, this morning.  
Howard Thomas and Cyril Johnson  
pleaded guilty Monday morning.  
Carl Hackleman and George Allen  
pleaded guilty last Saturday.

Swift and Hackleman, due to  
their age, will be sent to the state  
prison at Michigan City. Thomas,  
Allen and Johnson will go to the  
reformatory at Pendleton.

The five men blamed their part in  
the holdup to moonshine whiskey.  
Judge Himelick bitterly denounced  
the liquor business and asserted  
"so-called" good citizens have  
failed to do their duty in aiding the  
officers to enforce the law.

The court room was filled to ca-  
pacity when the five men were  
brought from the jail. A few women  
were present.

Allen was sentenced first and  
Thomas second. Tears formed in  
Judge Himelick's eyes when he  
spoke of his friendship for Thomas  
and the other prisoners. He was  
forced to cease talking for a few  
moments. Many in the court room  
saw that he wept as he shielded his  
face with his hand.

Hackleman was the third man  
sentenced, followed by Johnson.  
The former patrolman was the last.

Swift indicated to the court that  
he considered his part in the crime  
worse than that of the others. The  
prisoner stated he understood he  
was pleading guilty to the charge of

## LEE PYLE'S FATHER DIES

Richard M. Pyle of West Lafayette,  
Ind., Expires Tuesday

Richard M. Pyle, father of Lee  
Pyle, proprietor of the Rushville  
Steam Laundry, died at his home,  
255 South Grant street, West La-  
fayette, Ind., Tuesday, and fune-  
ral services will be held Thursday.  
He was 83 years of age and had  
been in poor health for some time.

Mr. Pyle was at his father's bed-  
side Saturday and Sunday. The de-  
ceased had visited here frequently  
and was known by a number of  
Rushville people.

He is survived by the widow and  
two daughters, one living in West  
Lafayette and the other in Pleasant  
Lake, Ind., in addition to the one  
son here.

## JACKSON VETOES FIRST MEASURE

Refuses to Sign Bill Increasing Tax  
Exemption on Real Estate Mort-  
gages to \$3,000

### HOUSE VOTERS FOR ROE BILL

Would Make County Unit System of  
School Government Optional  
With Counties

Indianapolis, Ind., Feb. 25—Gov-  
ernor Jackson today vetoed his first  
bill, the house measure to increase  
the tax exemption on real estate  
mortgages from \$2,000 to \$3,000.

The bill can be passed over the  
governor's veto by a two-thirds  
vote of both houses.

The governor signed the bill  
authorizing the state highway com-  
mission to aid in construction of a  
bridge across the Ohio river at Ev-  
ansville.

The house today adopted a com-  
mittee report recommending pas-  
sage of the Roe bill to make the  
county unit system of school gov-  
ernment optional with the counties.  
The bill was introduced in the house  
after the Steel county unit bill had  
been killed in the senate.

Opposition to the provisions of  
the bill to require cities to pay one-  
half of the cost of railroad track  
elevation within their limits was re-  
newed last night at another public  
hearing on the measure before the  
committee.

Robert Hammond, of Fort Wayne  
William J. Husey, mayor of Fort  
Wayne, and Guy Colerick, Fort  
Wayne city attorney, all spoke in  
opposition to the measure.

Mayor Roswell O. Johnson, of  
Gary, opposed the bill on the con-  
tention that it would take some of  
the power away from the cities and  
give it to the public service com-  
mission.

Democrats in the senate today  
were determined to hold their hands  
on the throttle to prevent hasty  
passage of the general appropriation  
bill in that body.

The first indication was given of  
this when they held a caucus before  
the senate convened yesterday af-  
ternoon. Convening of the senate  
was held up forty minutes while the  
Democrats discussed their plans  
for action when the senate consid-  
ers the bill.

It was also learned that they  
planned to bolt and leave the sen-  
ate without a quorum if the Penrod  
bill for realignment of the second  
and third congressional districts is  
handed down for passage.

The bill would transfer Lawrence  
county from the third to second  
district. This would make the sec-  
ond district solidly Republican.

Bus operators were elated today  
over their victory in the house yes-  
terday where the Moorhead senate  
bill for public service commission

## Hog Prices Reach Highest Mark Since Peak of 1920

Indianapolis, Ind., Feb. 25—  
Hog prices reached a top of  
\$12.15 on the Indianapolis  
market today, the highest  
price paid since the fall of  
1920.

Continued light receipts  
were responsible for the ad-

## TO DELIVER THREE ADDRESSES IN CITY

Paul V. McNutt Will Speak to Ki-  
wanis Club, High School and  
Meeting of I. U. Alumni

### TO SPEND THURSDAY HERE

Is Professor of Law at Indiana Uni-  
versity and Has Taken Prominent  
Part in Military Affairs

Paul V. McNutt, professor of law  
at Indiana university, who will be  
the principal speaker at the weekly  
meeting of the Kiwanis club at the  
Social club Thursday noon, will also  
address the high school in the  
afternoon, and will speak at a meet-  
ing of alumni and former students  
of Indiana university at the court  
house assembly room Thursday  
evening. He will discuss the sub-  
ject, "The Duty of The State," at  
the Kiwanis meeting.

Professor McNutt is known  
throughout the state as a speaker of  
ability. He is a former president of  
the Indiana University association  
of alumni and former students and  
has a wide acquaintance among In-  
diana University's 27,000 alumni  
and former students. Professor Mc-  
Nutt is also active in military af-  
fairs and at present holds a com-  
mission as colonel in command of  
the 325th field artillery of the re-  
serve.

The Kiwanis speaker received the  
A. B. Degree with high distinction  
from Indiana University in 1913  
and became assistant professor of  
law at the state university in 1917  
after he had received the LL. B. de-  
gree from Harvard University. He  
resigned from the I. U. faculty to  
enter the war service in 1917 and in  
1919 returned to the university with  
the rank of professor. During the  
war he was commissioned captain of  
field artillery at the first training  
camp at Ft. Benjamin Harrison and  
was promoted through succeeding  
grades to the rank of Lieut. Colonel.  
Prof. McNutt is a former president  
of the Reserve Officers Association  
of Indiana.

Col. McNutt is a son of Judge and  
Mrs. John C. McNutt, of Martins-  
ville. He holds membership in the  
University Club of Indiana, the  
County Club of Bloomington, the  
Beta Theta Pi and Acacia fraterni-  
ties, and the national honorary so-  
cieties of Phi Beta Kappa and Phi  
Delta Phi.

While a student at Indiana Uni-  
versity, Prof. McNutt was presi-  
dent of the Indiana Union, president  
of the senior class, editor-in-chief

## TWO RUSH COUNTY BOYS ON PURDUE HONOR ROLL

John R. Rees of Manilla and Wal-  
lace E. Beer of This City Among  
103 Students Selected

### REQUIREMENTS TO WIN PLACE

Lafayette, Ind., Feb. 25—One  
hundred and three students of Pur-  
due University are on the first hon-  
or roll ever prepared at the university  
which was made public today. The  
roll, known as "Distinguished Stu-  
dents" was compiled by Register R.  
B. Stone, following a vote of the  
faculty for such a plan, in order to  
give proper recognition to high  
scholastic attainment. It is in line  
with the policy instituted by Presi-  
dent E. C. Elliott to recognize pub-  
licly outstanding work in the class-  
room.

To be listed as a Distinguished  
Student, the members had to have  
at least three fourths of their grade  
for the past semester A, which  
means 90 or better; and no C grade,  
which is from 50 to 70. The list in-  
cludes 26 freshmen, 24 sophomores,  
23 juniors and 30 seniors, and a  
mong the juniors is Carl Cramer, of  
Angola, center on the varsity bas-  
ketball team. Several other athletes  
also are included, showing that some  
of them have time to participate and  
still achieve scholarship honors.

Two Rush county students were  
in the honor list. They were: John B.  
Rees, Manilla, a senior in the School  
of Agriculture and Wallace E. Beer  
Rushville, a junior in the School of  
Mechanical Engineering.

Rush county tobacco growers, associated with the Burley Growers, were notified today that the warehouse in Brookville for this district would close February 27 and remained closed for two weeks, during which time no tobacco will be received.

fifty one miners killed in the explosion.

All business houses in Sullivan and schools throughout the county will be closed during the hour of the memorial exercises.

Ministers of all the Sullivan churches will participate in the memorial and brief obituaries of the dead miners will be read.

The investigation into the cause of the blast will be resumed Thursday by Thomas Dally, state mine inspector.

Dally and his assistants were called away from the investigation yesterday by an explosion at Wheatland in which one miner was killed and another was seriously burned.

N. K. Harris, county prosecutor, is marking time in his investigation until the state probe has been completed.

Harris said today that future action of the county grand jury will depend on the nature of the report of the state mine inspector.

If criminal negligence is found to have been responsible for the catastrophe, the grand jury will be called in special session immediately, Harris said.

Funerals of two more victims were to be held today.

Sullivan citizens at a mass meeting last night pledged full cooperation to the Red Cross in its program of relief for the destitute families.

Baker outlined plans for taking care of the immediate needs of the miners' families and for creating a fund to educate the orphaned children.

fer Lawrence county from the third congressional district to the second district. This transfer would make the second district safely republican.

Only two democratic members of the senate were in their seats when the senate was called to order this morning. Members of the minority locked themselves in a room at the Claypool hotel and refused to leave. A door keeper was sent to bring them back and was locked in with them.

"The democrat senators will not meet with this body until the Penrod bill is withdrawn," Senator Cravens informed Senator Nejd, republican floor leader.

"It is purely a political measure introduced for the benefit of one of the members who wants to run for congress."

After a heated tilt with Senator Cravens, Nejd said "the democrats can go to—, and go home, before we will withdraw the Penrod Bill."

## A Word To The Wise

"In March I was called to the bedside of my sister in Brewton, Alabama. She was given up to die and was almost dead. Talked in a whisper. Doctors said nothing but an operation would save her and she was too weak for that. Her color was yellow as a pumpkin and she was filled with gas. That day I heard of Mayr's Wonderful Remedy and went and got a bottle for her. In three weeks she was able to be about and walked a mile to church. I am praising your medicine to everyone." ## SEN. M'CORMICK DIES SUDDENLY

Apparently in Good Health When He Arose This Morning—Seized by Attack at 9:30

### TERM EXPIRED IN A WEEK

Washington, Feb. 25—Senator Medill McCormick of Illinois, died suddenly here today at his hotel of gastric hemorrhage.

McCormick apparently in good health when he arose this morning, was suddenly seized about 9:30 o'clock and expired almost immediately.

McCormick's term would have expired a week from today as he was defeated for renomination last fall by Charles Dineen. He had recently been prominently mentioned for appointment as ambassador to Germany.

McCormick entertained a few friends in his rooms last night after the night session of the senate, according to the hotel manager, W. A. Brese. He arose as usual about 8 a. m. the hotel maids reported to the manager.

Shortly after 9 a. m., Brese said, no one answered the phone in McCormick's room and he went up to see if anything was wrong. He found McCormick dead in bed, with evidence that death had stricken him suddenly.

Brese summoned a doctor who said the Senator had apparently been dead about an hour. The doctor gave gastric hemorrhage as the cause of death. There were some evidences of hemorrhage in the room.

Representative Nicholas Longworth, Republican leader, was one of the first of McCormick's friends to reach the hotel.

No announcement of McCormick's death was made on the floor of either house for some time in order to allow ample time for Mr. McCormick's friends to notify Mrs. McCormick who was in Chicago with Mrs. Alice Roosevelt Longworth.

After an investigation at the hotel, Detective Bernard Thompson, of headquarters, announced "there were no suspicious circumstances" and the coroner issued a certificate of death "due to natural causes."

The body will remain at the hotel until Mrs. McCormick arrives to take charge of it.

McCormick was the senior senator from Illinois. He was born in Chicago in 1877, the son of Robert S. McCormick and Katherine Medill McCormick. After graduating from Yale in 1900 he returned to Chicago to become affiliated with the Chicago Tribune, a family property. His political life included the vice chairmanship of the progressive national committee from 1912 to 1914, two terms in the Illinois general assembly and one term in the national house of representatives, 1917-1919. He was elected senator from Illinois in 1919.

McCormick married the daughter of the late Senator Mark Hanna of Ohio in 1903. They have three children.

### Senator Had Been Ill

Chicago, Feb. 25—In a state bordering on collapse Mrs. Medill McCormick, widow of Senator Medill McCormick, engaged accommodation on the afternoon train for Washington where she will take charge of the senator's body.

Mrs. McCormick received two long distance phone calls from the senator yesterday. In the second call the senator said he was ill, and Mrs. McCormick telegraphed a Washington newspaper correspondent, close friend of the family, to visit the senator. The last word before today's announcement of the death, came last night, stating that the senator was sleeping.

### Senate Adjourns

Washington, Feb. 25—Following adoption of a resolution expressing its "deep regret and profound sorrow" at the death of Senator Medill McCormick, Illinois, Republican the senate adjourned until Thursday.

regulation of busses was passed second reading with amendments. The principal amendment, endorsed by the operators, would prevent the commission from taking into account the service of railroads and traction lines in granting the operators certificates of convenience and necessity.

A similar amendment was killed when it came up for second reading in the senate by a narrow majority. Some legislators were doubtful today as to the advisability of continuing the investigation of the affairs of the state highway commission. They do not believe they have enough time.

In the meantime Representative Kissinger, of Columbia City, declared he intended to press his bill for abolition of the road body. The bill would create a non-partisan body of four members.

The Kissinger "blue Sunday" bill was awaiting third reading in the house today following its revision on second reading late yesterday. Amendments offered by the author eliminated the section for the closing of places for recreation and refreshment.

These and other amendments revised the bill to make it practically the same as the present "blue Sunday" law but with little stronger penalties.

After defeating amendments the house passed to engrossment late yesterday the Hammitt voters registration bill. The bill bases permanent voting lists on the poll books of each general election. The poll lists of the coming municipal election primaries would be the basis for the fall election this year.

A survey of the wealth of the state is provided for in a resolution pending in the senate where it was introduced by Senator Holdeman, of Elkhart. The survey would be made to give the people enough information to vote intelligently on the income tax amendment to the state constitution if it comes up for referendum, the author of the resolution said.

The house yesterday approved the purchase price of \$40,000 by the state for the Indiana Dental College at Indianapolis when the bill introduced by Rep. Harris of Gary, was passed to engrossment.

nor remember how he looked. The check here was also for \$16.

At the Howell Brothers vulcanizing and tire shop he made a purchase of an inner tube for a tire, and also gave a check for \$16.

At the Sanitary Meat Market he bought some meat and gave a check for \$16. He also went to the meat shop at the A. & P. store, operated by the same management as the Sanitary Meat shop which he had previously visited, and here he made a purchase and gave a check for \$10.

His efforts to cash the check in the grocery department at this store failed, and he then presented it to the meat department operated by Mr. Cook, after making a small purchase.

In all instances the checks were written in advance and looked like genuine checks.

**Bible Thought for Today**  
The thought of the day will give a precious heritage in after years.

**Frailty of Secret Prayer:**  
But thou, when thou prayest enter in thy closet, and when thou hast shut thy door, pray to thy Father which is in secret and thy Father which seeth in secret shall reward thee openly. For your Father knoweth what things ye have need of, before ye ask him. Matthew 6: 6, 8.

**Prayer:**—O thou who art life and love, we bless thee for the key of prayer, freely given to each of us, and which unlocks for us the treasures of thy heart.

**Civil Law Supremacy**

President Coolidge, according to report, has reduced the cost of his inauguration from \$100,000 to \$450. The reduction presumably refers to the amount saved in the show features. Washington folks are very much disappointed that is not to be denied, and there are signs also that some of the good people who had planned to come to the capital and enjoy the show of tinsel gold lace and red fire are also disappointed.

The country as a whole can be depended on to stand by the president in appreciation of his motive. The founders of our nation provided deliberately that the inaugural exercises should be distinctly civil in all their details. In the selection of the chief justice of the supreme court to administer the oath they made plain to the world that on this day the supremacy of civil over military law should be made evident to all the people. That is his under-

Riding a girder is not a job for a nervous man.

BUT no one is nervous by choice. There is a way that you may strengthen your body that the nervous system will be cushioned on sound muscles and flesh. But this condition will not come about unless you have rich red-blood-cells. Red-blood-cells are the most important thing in all the world to each of us. More red-blood-cells! That's what you need when your nerves give way and you cannot control yourself.

S.S.S. will prove to you its "Why" and "How" reason. Since 1825 S.S.S. has helped thousands. Because S.S.S. does build blood-power, it builds you up when you are run-down, clears the system of blood impurities; routs so-called skin disorders—and stops rheumatism, too.

This is why S.S.S. is accepted as the greatest of all blood purifiers, blood builders and system strengtheners. Start taking S.S.S. today. Its medicinal ingredients are purely vegetable. Your nerves will become stronger, you will have more energy, vitality and vigor and a more up and going appearance.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

**S.S.S. Makes You Feel Like Yourself Again**

lying motive in providing that only such military forces as are located in Washington should be employed and that their role should be subordinate to the great civic impressiveness of the scene.

Inasmuch as for some years we have been preaching to Europe a program of peace, and discouraging the maintenance of standing armies it would seem as if the President has sought out the most impressive moment in our governmental life in order to make plain to our European, onlookers that first of all Americans practice what they preach. If that end is achieved we can all severally afford to sacrifice desires for a great military show.

**A New Doctrine**

For a number of years newspaper editorial writers and magazine writers have been showing signs of considerable distress because of the alleged movement from the farm to the large centers of population.

Most of the persons who have discoursed at length on this subject, severely condemning those who leave the farm, were themselves, no doubt, products of the soil, but with them, very naturally, it was a very personal matter.

Now comes to light a so-called new problem that is the direct reverse of what most of us have been led to believe was a national menace.

Dr. H. C. Taylor, chief of the bureau of agricultural economics, United States department of agriculture, very boldly announces in a recent statement that too many farmers are a detriment to the nation.

Dr. Taylor declares that every farmer should insist upon a satisfactory standard of living and withdraw from agriculture when he is not able to maintain this living standard.

His reasons for this rather unusual stand are economic. He assumes that if a sufficient number of farmers are guided by this policy, the soil will be so depleted of tillers, the prices of farm products will rise to such a point, due to the reduced supply, which would increase the demand, that it will be possible to maintain the desired standard of living conditions.

The program sounds very good but like most laboratory theories is impractical of application because there is no way to regulate the movement. This process has already been at work, causing many farmers to forsake the land for the city because of inadequate returns.

When farming as an occupation becomes more remunerative, more men will remain on the farm, because farmers on the same track all of us are—the thing the constitution guarantees for every American citizen, "Life, liberty and the pursuit of happiness."

WASHINGTON — Congress is always ready to resent any mention of "pull in politics."

Congressional intercession in behalf of certain causes or individuals, it is always insisted, is merely to get attention to the "merits" of the case.

Any "pull" or "influence," in the sense of striving to land special favors for special persons or interests moves members to hot and indignant denial.

And yet, to the man outside looking in, there always seems to be a great mass of measures more or less tinged by the personal interests of members or of certain of their constituents.

The bias, it has there be in these cases, may be entirely subconscious.

But to outsiders, the effect of personal favor in the advancing of many measures makes the opinion inescapable that "pull" rather than merit decides many matters.

A CASE in point is that just disclosed in a report by the Senate committee on pensions.

Because of the clear-cut factors in this case, it illustrates the situation more effectively than could pages of exposition.

Two applications came before the committee for increases in pensions.

Mrs. Edith L. Quick, St. Louis, Mo., widow of a veteran of the Spanish-American and World Wars sought an increase from \$12 to \$50 per month.

George Curry, El Paso, Tex.,

veteran of the Spanish-American War, sought an increase of from \$12 to \$50 a month.

The committee recommended the increase sought by Mrs. Quick be denied. It recommended the increase asked by Curry be granted.

"Mrs. Quick," the report stated, "is now drawing compensation at the rate of \$30 per month as a World War widow, and is only 44 years old."

Of Curry, the report said: "He is now physically unable to earn his living by manual labor."

ON the face of the report, the recommendations seem entirely fair. The report says Mrs. Quick "is only 44 years old," suggesting she should be able to supplement her pension by personal employment.

It does not state she suffers from an ailment which prevents her from working and that she has no child or other relative to contribute to her support.

The report says of Curry that "He is now physically unable to earn his living by manual labor."

It does not state that Curry is now on the government pay roll at \$5000 a year as the United States commissioner on the Mexican boundary commission.

Curry never has had to earn his living by manual labor. But he has held many political jobs, including that of high sheriff of Manila, governor of New Mexico and member of Congress from that state.

Curry at one time served as private secretary to Senator Bursum of New Mexico. Bursum obtained for Curry his appointment as boundary commissioner.

And Bursum is now chairman of the Senate pension committee.

From a Daily Republican

Friday, Feb. 25, 1910

The Shelbyville bowlers came, saw and got conquered. But this much must be said, that they were not rolling up to their standard or else they have been rated too high. For the Rushville bowlers were below their standard.

Nora Moran, employed at John Winship's store, suffered a painful injury this afternoon when her hand was burned.

Mrs. Sam Galimore of near Carthage visited her daughter, Mrs. Jim DeMors and husband Tuesday. (Henderson and Vicinity.)

Mr. and Mrs. Henry Atkins, Mr. and Mrs. Jesse Atkins, of Mays, Mr. and Mrs. Earl Atkins and daughter Edna, Mr. and Mrs. Elbert Atkins, Mr. and Mrs. Thomas Dawson and Mrs. Mary Atkins and son Thomas spent Tuesday in Knights-ton the guests of Mrs. Lizzie Newhouse. (Center correspondent.)

The exercises of Mrs. Margaret Morton's and Miss Hazel Binford's pupils which was to have been given last Friday was postponed until Tuesday. (Carthage correspondent.)

Mrs. Jabez Winship with her sisters, Mrs. Will S. Meredith and Mrs. Jesse G. Bennett, spent the day in Indianapolis.

Miss Clara Blackford of North Sexton street has returned from St. Louis and Indianapolis, where she visited friends for two weeks.

Mrs. William Alexander and Mrs. Ames Blackledge attended the St. Gaudens exhibit at Indianapolis yesterday and saw "The Man of the Hour."

Mrs. Charles Evans of Urbana, Ohio, has come to visit Mr. and Mrs. William Dagler and family.

Mrs. Owen Kincaid will leave Tuesday for an extended visit in the East. While gone she will be the guest of Mrs. M. C. Burt and daughters in New York and will also visit in Washington, D. C.

Mrs. Chris King and Miss Ellie Hall were hostesses at a five course twelve o'clock dinner at the home of the former Wednesday.

Vester Casey, who has been working north of this city and Miss Florida Gardner of this city were married yesterday afternoon by the Rev. E. C. Myers. They will live in Kentucky.

**Movies****"Greed" At Castle**

The most talked of picture of the year comes to the Castle theatre today for a two days engagement. It is Erich von Stroheim's production of "Greed"—the Metro-Goldwyn director's literal film version of Frank Norris' novel "McTeague."

During its two years of production the picture was the subject of innumerable newspaper and magazine articles. The fact that von Stroheim attempted stark, uncompromising realism without slightest stop to theatrical convention, that he staged the picture entirely in the actual locations described in the original novel, and that in the latter consideration he led an expedition into death valley, made the picture a topic of wide interest. New York reviewers quoted it as the most important picture ever made.

"Greed" tells the story of an ex-carboy of the Big Dipper Mine who picks up a smattering of eradic dentistry from an itinerant dentist, eventually opens his unlicensed office in San Francisco, marries the daughter of a thrifty Swiss-German family living in Oakland, and then goes into mental and physical disintegration through the basic avarice and greed of his wife's nature, and of his associates.

This cast includes ZeSu Pitts, Gibson Gowland, Jean Hersholt, Frank Hayes, Chester Conklin, Hughie Mack, Dale Fuller, Fanny Midgley Jack Curtis and James McDonald. Ben F. Reynolds and William B. Daniels were the photographers. "Greed" is a Metro-Goldwyn picture, presented by Louis B. Mayer.

**"Her Love Story," Princess**

It has been said that one half the world does not know how the other half lives. We were reminded of that truism this afternoon as we watched "Her Love Story," starring Gloria Swanson, on the screen of the Princess Theatre where the picture was being shown for the first time. The average film fan, raised on fairy tales and bed-time stories, has a hazy notion that the life of a princess is one continuous round of pleasure. Eventually, she marries a noble prince and lives happily ever after.

Gloria shows us in "Her Love Story" what happens to a princess who tries to marry the man of her choice. He isn't a prince but to the princess he is everything that is good and true and noble, and she loves him. She does marry him, without the consent of her father, and then her troubles begin. In absorbing detail the plot unfolds the manner in which the lovers are parted, and the princess forced into unhappy marriage with a dissolute King. You can't help feeling sorry for Gloria while at the same time you are subconsciously glad that you are living in a democratic country, free to love and marry whom you please.

Mary Roberts Rinehart wrote the original story.

## FIGHT CHALLENGES TO BE CONSIDERED

New York Boxing Commission to Decide Who Will be Next Opponent for Jack Dempsey

EITHER WILLS OR GIBBONS

Both Heavyweight Champions Have Filed Challenges With the Boxing Commission

By HENRY L. FARRELL  
(U. P. Staff Correspondent)

New York, Feb. 25—Challenges for the heavyweight championship filed by Tom Gibbons and Harry Wills will be considered by the New York boxing commission at its regular meeting here today.

Two members of the commission it is understood, will vote that Gibbons and Wills should meet to decide the next opponent for Jack Dempsey or to succeed him as the champion in the event that he decides definitely to retire from the ring.

Eddie Kane, Gibbons' manager, who filed his challenge last week, was to leave today for Chicago.

"There is nothing more for me to do," Kane said. "I am willing to accept any proposition that is offered by the commission. Gibbons is willing to meet any heavyweight that goes. He is claiming the heavyweight championship and he is willing to meet anyone who disputes his claim."

Kane doubted that Wills would agree to participate in an elimination contest with Gibbons. "When Wills was offered a contest with Gibbons last December in the feature bout for the benefit of the bad hands," Kane said. "We think his hands are still bad."

Paddy Mullins, Wills manager, said he would have to think over any proposition offered by the commission.

"Wills," he said, "is willing to meet Gibbons, but we do not feel that he should be required to prove his right for a fight against Dempsey. Gibbons has been beaten once by Dempsey and Wills never has been given a chance. If Dempsey is not going to fight again," we'll take Gibbons."

Bill Gibson, manager of Gene Tunney, the American light-heavyweight champion, may ask the commission to consider Tunney as a challenger although he has not gone through the formality of filing a challenge and the forfeit of \$2,500.

New York—Records for the former intercollegiate indoor championships were broken when 820 entries were received from 22 colleges and universities. The games are to be held here on March 7. Penna won the championship last year.

### CAN HISTORY REPEAT

If history repeats, Rushville should win from Liberty Friday night. Fifteen years ago this week-end, Rushville had Liberty at their mercy over here 37 to 17. Howard Ewbank and Frank Cameron were guards for Rushville; Donald McRoberts played center; Verl (Doc) Bebout and Howard Wilcoxin forwards.

That long boy McRoberts was a good shot. He played somewhat like Lakin, and averaged around 8 goals a game.

### Says Lions Will Have to Scrap

Arlington, Ind. Dear Hittin' 'Em:—Well, we are going to have a real scrap over this Friday night. Moccow comes up to play our boys. Each has a victory to their credit in two former meetings. Naturally each shall want the rub. A battle royal!

Arlington has slumped recently, but watch us by tournament time. Bundy sprained an ankle Monday evening, and under all probability will be out Friday night. But we're promising Rushville she will have a scrap at the sectional by the time Milroy, Arlington, Moscow, Carthage get through with her.

Yours, A. H. S.

"Come on Shortridge," shouts Connersville, which sorta insinuates "Whose afraid?"

### NEWCASTLE MAN WINS CHECKER TOURNAMENT

So says a newspaper headline. Glad they won something up north. About time for the horse show tourney and big marble games next.

Shelbyville and Greensburg are sure at it hard these days. Greensburg says "Traamp those Camels" and Shelby hollers back, "Bring on Greensburg." Shelbyville has been kidded considerably about meeting recent defeats at the hands of Newcastle and Columbus, but now it is Shelbyville time to kid, Milroy 23; Greensburg 21.

Short Passes refers to the picture of the Greensburg team in the Sunday Star, and comments as follows:

Along with the result of his game appeared the pictures of the Greensburg players in the Indianapolis Star. And there they were ticked as probable dark horses. They're dark alright, so dark they will never see the light.

### LOOKS BAD IN PRINT

Up at Kokomo, after their defeat by Logansport last week, "From the Press Box" says: "Lessee. That makes as two wins and 17 losses for the season, doesn't it?" Most of those losses were forfeit games, imposed for playing Beatty, ineligible floor guard, so their record isn't as bad as it appears.

The tall boys of Marion, called the String Beans, will play down at Newcastle Friday night, closing the season for the two schools. Markin' 'em up is anxious for a victory. So anxious is he, that he shouts out, Shell those string beans!

### It Was More Than a Taste, a Real Bite

Rushville had a taste of that boasted Wabash Valley competition Saturday night, drubbing Garfield of Terre Haute 45 to 30. Even the seconds defeated Garfield's second crew, making it unanimous.

### NO WONDER THEY LOST

The Connersville team made their initial appearance at Richmond, all dolled up in the new sweat pants. Oh boy, if there is anything that looks as sissy and silly as those things you will have to show us.

### The Brick Almost Got Lost Last Week

Crawfordsville and Lebanon played Friday night at Crawfordsville. Lebanon took its Brick along that it won from Greensburg the week before. Crawfordsville won in an overtime game and kept the brick.

### We Thought Newcastle Won From Them First of all

Shortridge has won 17 games out of 18 played—Martinsville was the only team to drop them.

—Free Throws, Connersville

DON'T WORRY ABOUT WHERE TO BUILD THAT NEW GYM. PUT THE DEAL ACROSS FIRST, AND THEN FIND A PLACE FOR IT.

Those Red Birds out at New Palestine will also be in the running in that independent state tourney at Indianapolis. They won with little opposition in their sectional. Their first victims were the Indianapolis Turks 33 to 24; the second round saw Morrisstown fall 34 to 26 and the final game Mt. Comfort threw the sponge 29 to 17.

### WE KNEW THEY WOULD RUN OUT OF CUPS BEFORE THE SEASON ENDED

Word from New Palestine also tells about a tourney held in Morrisstown recently in which the Red Birds won out in the final game. Business men of Morrisstown donated money for a trophy, but so far as the Red Birds have been able to find out, the Trophy is still being made.

Athletic Directors at Wabash and Indiana Universities Consider the Plan

### RED CROSS WOULD BENEFIT

Indianapolis, Feb. 25—Arrangements for a basketball game between Indiana University and Wabash college for the benefit of the families of the dead in the Sullivan mine disaster were being discussed today by officials of the two schools.

Athletic directors of both the schools expressed their approval of the proposed game if a debate can be arranged.

The move for the game was started by the Indianapolis Times on receipt of word from Red Cross workers at Sullivan that conditions in the stricken homes are far worse than have been pictured.

### FIGHTS AND FIGHTERS

Los Angeles, Calif.—Mickey Walker, world's welterweight champion knocked out Bert Colima, California, in the seventh round.

New York—Clyde Jac-kle, Columbus, won a ten round decision from George Lee, Worcester in one of the lightweight elimination contests.

Cleveland, O.—Carl Tremaine, Cleveland bantamweight won a 12 round referee's decision from Eddie (Cannonball) Martin, world's bantam champion. The tilt was not involved as Tremaine was overweight. Tremaine kept the lead all during the fight and was entitled to Referee Matt Hinkle's decision.

Chicago—Harold Smith, Chicago bantam signed to meet Eddie Anderson of Moline of Milwaukee on March 6.

Columbus, O.—Jack Reynolds, Indiana welterweight wrestling champion, retained his title in a match with the Japanese matty Matsuda. Reynolds won the first and third.

### Magnates Want Spring Coin

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, Feb. 25—Ban Johnson's suggestion that pennant-winning teams be prohibited from making a spring exhibition trip together has resulted in numerous protests from within and without the baseball family. Johnson's suggestions always have a way of arousing criticism from certain quarters, but in this case the protest was more general.

In making his suggestion, Johnson said that it would cheapen the world's series and decrease interest in the real fall series. Perhaps he is right. He doesn't want baseball cheapened and neither do the club owners, because the only way baseball can really be cheapened has always been avoided carefully by the magnates. The price of tickets remains the same.

Perhaps Johnson is right that a spring world's series played between the major league champions would not be good for baseball. No one who is familiar with the ways of baseball players would think that the players would be as keen for victory on an exhibition tour as they are in a world's series when about 4,000 a piece, representing the difference between a winner's loser's share is at stake. A long series of games might result in some hippodroming.

Players have grumbled ever since the club owners found that they could pick up a lot of money by engaging in a flock of exhibition games on the way north from the spring training camps. The players get nothing for their labor and the hops from town to town are not designed for comfort or convenience. No player is going to risk injury in an exhibition game that might put him out for the season or end his career in the big leagues. The players also may ask why two champion teams should be permitted to play an exhibition series when pennant-winners are not allowed to barnstorm as a team in the fall, when they could make some money for themselves.

There is a silly argument being advanced that baseball belongs to the public and that the residents of towns far distant from the big-time circuits have a right to see the champion teams in action. When did baseball ever belong to the public and what of it? Baseball belongs to the major league club owners. They make the rules and set the prices.

## The High Cost of Postponing Permanent Highway Building

Poor motor roads stifle industry and agriculture, waste huge sums annually in high maintenance costs, and greatly increase gasoline, tire and repair bills.

There is not a state, not a county, not a community, that isn't paying a heavy price for having too few permanent roads.

There are still many sections of the country—even whole states—that are trying to operate twentieth century traffic over nineteenth century roads.

This is costing millions of dollars every year, and will keep on costing millions until we have well developed permanent highway systems everywhere.

Even what we often call the more progressive communities are far behind the demands of modern highway traffic with its 17,000,000 motor vehicles.

From the Atlantic to the Pacific, and from Canada to Mexico, we need more concrete roads—the roads for twentieth century traffic.

Your highway officials want to be of the greatest possible service to you. Get behind them with ways and means that will provide more concrete roads and streets. Such an investment will pay you big dividends year after year.

The Ladies Aid Society of the First United Presbyterian church held their regular meeting Tuesday afternoon at the home of Mrs. W. J. Waite.

The members of the M. E. church orchestra of New Salem were entertained at the home of Mr. and Mrs. Edgar Martin on Morgan street Monday afternoon. The afternoon was spent in the practice of special music for the church services.

Friends and neighbors of Mr. and Mrs. William Lewark of near Connersville surprised them with a pitch-in dinner Tuesday. Those present from this city were Mrs. Jacob Myers, Mrs. Oliver O'Brien, and Mrs. George Roller.

The Psi Iota Xi sorority held an open meeting Tuesday evening at the Social club rooms at which time Mrs. Demarechus Brown of Indianapolis gave a splendid lecture on "Old England" (One hundred and thirty guests were present for the meeting. Punch and cakes were served after the lecture.

Carroll Miller spent Saturday with his brother Virgil, who is employed in Indianapolis by the Great Atlantic and Pacific Tea Company. Sunday they motored to Terre Haute and spent the day with Miss Amelia Scott and Miss Cora Wampler. In the evening they formed a theatre party and saw "Frisolons Sal" at the Liberty theatre.

The Sorosis Club of Glenwood held a delightful meeting Tuesday afternoon at the home of Mrs. Fred Martin. The program opened with responses to the roll call on current events. Mrs. Curtis Scholl prepared a paper on "Russia and Her People before the War," and Mrs. Hugi Dickey discussed "The Russian Revolution and Soviet Government." Special musical numbers were given by different members of the club. Two guests, Mrs. Frank McCrory and Mrs. Helen Smith, were present besides the members. Dainty refreshments were served by the hostess, as the closing feature of the meeting.

Relatives and friends delightfully surprised Mrs. John Land at her home in Knightstown, Sunday reminding her of her seventy fifth birthday. A delicious pitch-in dinner was served at noon. The guests were, Mrs. Lydia Land of Westport, Ind., Mr. and Mrs. Will Land, Mr. and Mrs. Elba Land and daughters May and Maud, Mr. and Mrs. Emmet Surber and son Ivan and daughter Helen of Newcastle, Ind., Mr. and Mrs. Arthur Land and daughter Ruth, Mr. and Mrs. Harold Layl, Mr. and Mrs. Ransome Kimberly, Mr. and Mrs. Hiram Crump and son Albert of Mt. Comfort, Mrs. Nancy Porter and Wilbur Lester Land of Indianapolis, Mr. and Mrs. Charlie Land and Mrs. Stella Hilligoss and son Herman of Rushville, Mr. and Mrs. Harry Land and daughters Mildred, Martha and Fern, and son Maurice of Mays, Ind., Mr. and Mrs. Willis Roman and sons Virgil and Darrel of near Henderson, Ind., the Rev. and Mrs. Joseph Land and son Joseph and daughters Miriam and Lois of Maxwell, Mr. and Mrs. Robert Land, Miss Norma Land, Miss Velma Roman and William Fisher of Connersville.

Leonard, George and Carlos Land. Several valuable and useful presents were received. The afternoon was spent informally with musical selections on the Brunswick.

A dance will be given Thursday evening at Price's hall in Glenwood. The Nightingale orchestra will furnish the music for the dance.

The Always Present Class of the Main Street Christian church will meet tonight at the home of Mrs. Morris Howell in East Second street and all the members are urged to attend as business of importance will be transacted.

Mr. and Mrs. Fred Addison entertained with a dinner party at their home in Milroy Sunday. Covers were laid for Mr. and Mrs. M. E. Jackson and daughters Myrtle and Alma of Greendale, Mr. and Mrs. E. B. Hildreth and son Billy Burton of Bath, Mrs. Glenn Kaler, Pauline, Fred Keith and Randal Addison.

About two hundred people attended the social and kitchen shower given by the Rebekah Lodge Tuesday evening in the new lodge rooms, corner of Third and Morgan streets. The shower was for the new kitchen in the lodge rooms and many pieces of linens and cooking utensils were received. A most enjoyable evening was spent socially in games, contests and dancing. Music was furnished by Linville's string trio. Refreshments of pie, ice cream and coffee were served during the evening.

Mr. and Mrs. Frank McCrory entertained in honor of their daughter, Helen's fourteenth birthday anniversary, Saturday afternoon at their home north of Falmouth. Contests and games were features of entertainment and prizes were won by Thelma Jackson and Frances Richardson. Refreshments of ice cream, cake, mints and punch were served by the hostesses, assisted by Mrs. John McCrory, Mrs. Fred Martin and Mrs. Helen Smith. The guests were Thelma Jackson, Esther Walsh, Louise and June Jeffrey, Margaret and Clementina Saxon, Dorothy and Margaret Rowe, Mary Lovejoy, Ruth Thomas, Helen Smith, Mildred Hurley, Jessie Parker, Etna Wiley, Edna Richardson, Mildred Dolan, Opal Johnson, Lillian Geise, Josephine Borgerding, Hazel Carr, Frances Richardson, Janet and Alice Martin, Rea Smith, Frances McCrory, Dan Rea, John McCrory and Russell Link. Many beautiful remembrances were received by the honored guest.

### Franklin Will Pay Off Debt On High School Gym This Year

Continued from Page One  
The \$5,000 was the first payment, and the bond issue was floated. As said before the total cost exceeded \$30,000, but the bonds which have been paid off at the rate of more than an average of \$5,000 yearly from receipts at the games and from other sources of income, will deliver the building free of all debt in a few weeks.

Besides the athletic contests, the building is in great demand for community meetings such as public addresses, chautauquas, indoor shows and similar events, most of which pay an established rental fee that applies to the amount of indebtedness.

This building at Franklin seats 2,500 persons. The length of the building is 140 feet and width 84 feet. The playing floor is 50 by 70 feet. It is located on the same lot with the high school building, and the heating plant in the school provides the heat, which eliminated the cost of an additional system.

A small basement is under one end of the gym. This is used for dressing room accommodations, shower baths, and for storage. The building has plenty of distance due to the steel girders that support the roof. There are no beams or supports to interfere with the view of spectators.

This building is only one of several in the state which is rapidly paying out of debt.

THE Ford car has remained the undisputed leader for value in the motoring world. There are certain fundamental reasons why this is true. It is a car, properly designed and staunchly constructed, having a motor which has proved itself reliable, long-lived and economical.

It is adequately serviced by an organization reaching to every community and neighborhood. These combine to give the Ford car the highest resale value in proportion to list price.

And as production volume of the Ford has grown the purchase price has been steadily reduced.

## BAD CHECK ARTIST REAP HARVEST HERE

Indiana State Library Passed  
Saturday Evening, Feb. 20, it  
is Revealed Today

### OTHERS MAY BE REVEALED

Five of the Checks Were For \$16  
And One for \$10—Fraud Not Re-  
vealed Until Today

A bogus check artist worked successfully in Rushville Saturday evening, reaping a harvest on six checks accounted for today, totalling \$90, and there is a possibility of more checks of a similar nature which have not been discovered.

Of the checks presented, five were for \$16 and one for \$10. The check artist picked an opportune time, and had several hours in which to escape before the banks were open.

The checks in all instances were presented after the banks had closed Saturday afternoon, and as Monday was a holiday, the checks could not be presented until Tuesday, and in several instances they were not presented until today.

All of the checks were drawn on the Rushville National bank. They were made payable to R. L. Sanderson, and signed by F. H. Moore, and in one or two instances, the signature was Frank H. Moore, who is unknown here at any of the banks.

The man who represented himself to be Mr. Sanderson, made purchases at all places where he presented the checks, and obtained the balance in currency.

At the Zimmer Shoe store he purchased a pair of shoes and gave a check for \$16. He received one-half in cash. He left the shoes, and returned several hours later and took them away, and at the same time looked over several pair of hose with the intention of buying, but stated that he had given all his money to his wife, and was probably making a "hint" that he could write a check for an additional purchase, but he left and said he would be back within a couple of weeks and buy the hose.

At the Kroger grocery in Main street, he bought a small amount of groceries, and presented the \$16 check, and when questioned concerning the genuineness of it, he emphatically told the clerk that the person was alright, and that he would "bank a \$1,000 on it."

He appeared at the F. B. Johnson drug store during the supper hour and made a purchase, but the clerk couldn't remember the transaction.

## ANNUAL BANQUET IS ATTENDED BY 82 GUESTS

The Rev. S. S. Offutt of Browns-  
burg Addresses Young Men's Circle  
Following Dinner

### ENTERTAINMENT PROVIDED

The annual banquet of the Young Men's Circle of the Main Street Christian church Tuesday evening in the basement of the church, was one of the most successful ever given by the class. The success of the evening was in part due to the loyal help of the Loyal Daughters Class, who prepared the banquet.

Covers were laid for eighty-two guests and the banquet tables were appropriately decorated. A splendid program was given following the serving of the banquet, Ross Toles, president of the class, acting as toastmaster.

Short talks were given by the Rev. S. S. Offutt of Brownsburg, who spoke on "Value of Friendship," Gibson Ross on the progress of the class and its future plans; and Roy Mitchell, ex-president of the class, who prepared a history of the organization. George C. Wyatt, the "grand old man of the class," who although not a member, is always interested in its affairs, was present and responded with a speech when called on by the toastmaster.

Special music was furnished throughout the evening by the orchestra of the church and also by a male quartet, composed of William Russell, Frank Gardner, Roy Thomas and Edward Myers.

## OVER 100 MASONS EXPECTED

Judge Arthur Robinson of Indianapolis to Speak at Banquet

Approximately 110 Masons are expected at the banquet to be given at the Masonic Temple Thursday evening at 6:30 o'clock, at which Judge Arthur Robinson of Indianapolis will speak. Ninety-six Masons had responded to invitations, indicating they would be present, today, and the committee in charge prepared to take care of ten or fifteen others who may want to attend, but have neglected to return their cards.

The banquet will be served by members of Martha Poe chapter, Order of Eastern Star. Judge Robinson is well known in Rushville, where he has spoken before. He is gifted as a public speaker.

Every Effort Made to Increase Fund

### RED CROSS IS IN CHARGE

Will H. Hays, Former Sullivan Resident, Joins Relief Workers—Inquiry to be Resumed

### Contributions for Blast Victims to be Received

Contributions to be applied to the state fund being raised for the Sullivan, Ind., mine explosion victims, will be received by the Daily Republican and will be forwarded to Sullivan as a gift from the people of Rush county.

The Daily Republican decided to receive cash gifts for the fund, after the suggestion was made by a Rushville man, who gave \$10.

An appeal to the citizens of Rush county was received from the Red Cross Tuesday, calling attention to the dire need of the survivors of the 51 miners killed in the blast.

(By United Press)

Sullivan, Ind., Feb. 25.—The state-wide relief fund for relatives of miners killed in the City mine explosion was estimated by Red Cross workers today at between \$20,000 and \$25,000, including the \$10,000 appropriation of the state legislature.

Every mail brought additional contributions from cities throughout the local relief committee was direct. Contributions were sent in by telegram.

The international organization of the United Mine Workers wired \$1,000 for the relief fund.

Every effort of Red Cross workers headed by Henry Baker, national director of disaster relief work, and a local relief committee was directed toward raising the fund to the \$100,000 quota.

Will H. Hays, former Sullivan resident and "czar" of the movies, joined in the relief work today. Hays hastened to Sullivan from Calhoun, N. M., upon hearing of the disaster.

"The enormity of the disaster in a town the size of Sullivan is appalling," Hays said. "There is hardly a home that has not been touched directly or indirectly by the tragedy."

"Citizens of Sullivan are making heroic efforts to meet the emergency, but help from the outside is badly needed."

Community memorial services will be held at 1 o'clock this afternoon on the court house square for the

## CONFERENCE REPORT ADOPTED

House Almost Unanimous in Passing Postal Bill

Washington, Feb. 25.—The conference report on the postal salaries and rate increase bill, was adopted by the house by a vote of 370 to 5. The bill as modified by Senate and house conferees, carried rate increases estimated to yield an additional \$60,000,000.

Action must be taken on the report by the senate before the measure is sent to the president.

## PRETTY SOFT!

## Franklin Will Pay Off Debt On High School Gym This Year

Building Erected as Combined Community Building and Gymnasium in 1920 at Cost of \$30,000 Will be Free of Debt in Few Months.

An example of how quickly a gymnasium can pay out of debt, was found on a visit to the Franklin high school gym last Friday by Rushville people interested in the project for this city. The new gym there will be out of debt at the close of the present basketball season.

It was erected in 1920, and five years later is to be free of debt, and their investment of slightly over \$30,000 is clear, and represents something worth while.

At Shelbyville the gymnasium was described Tuesday as being constructed by city school bonds, and the one at Franklin is a still different type of financing, in which the school board assisted in the proposition.

In 1920 the people at Franklin began the agitation for a new building, and the school board was approached on several occasions with requests that a building should be erected.

The sentiment grew, and the members of the school board, in order to find out the full strength of that sentiment, appointed a day on which, it was announced, the city would be canvassed to sell season tickets.

On that day a group of high school seniors was chosen to make

the canvass. One thousand of the season tickets were printed and given to the students to see how many they could sell. Only a few hours elapsed, and all of the ticket sellers reported back to the school, and every single one of those 1,000 tickets had been sold for \$5 each.

This response was interpreted to mean that the sentiment in favor of the movement was sufficiently strong to justify the school board to make a bond issue for the remaining amount required.

## MAJORITY TO USE FORCE IF NEEDED

Republican Members of State Senate Vote to Compel Striking Democrats to Attend

### MINORITY IN ULTIMATUM

(By United Press)

Indianapolis, Ind., Feb. 25.—Democratic members of the state senate fled from the city this afternoon to escape arrest for refusal to attend the session.

Indianapolis, Ind., Feb. 25.—Republican members of the state senate in caucus early this afternoon voted to compel attendance of striking democratic members at the session.

From their rendezvous in a hotel room, the democrats sent back word that they would not attend until the Penrod "Jerry-mandering" bill is withdrawn.

The striking democrats face arrest by warrants for deliberately breaking a quorum.

Republican leaders said the senate would go ahead with its work if they had to lock their door and bring in state militiamen to keep the democrats in their seats.

They flatly refused to meet the democratic ultimatum pending withdrawal of the Penrod bill.

Business in the senate was at a complete standstill because a quorum could not be mustered without the presence of democratic members.

The democrats contend that the Penrod bill is backed by the republicans for the sole purpose for making the second-congressional district safely republican by transferring Lawrence county, republican stronghold, to the district.

The Penrod bill proposed to transfer

### OTHERS GO TO REFORMATORY

Cyril Johnson, Howard Thomas and  
George Allen Must Serve Like  
Sentence—all Are Fined

(By United Press)

Connerville, Ind., Feb. 25.—Carl Hackleman, jewelerman, and Fred Swift, patrolman, were taken to the state reformatory at Michigan City today to start sentences of two to fourteen years. Swift was fined \$5,000 and each of the others was fined \$10 and costs.

Cyril Johnson, Howard Thomas and George Allen were taken to the Pendleton reformatory, to start a like sentence.

The five men pleaded guilty to robbing the payroll clerk of the Indiana lamp company of \$6,000 last December.

Swift, who entered a plea of not guilty Monday morning, changed his plea to guilty, this morning. Howard Thomas and Cyril Johnson pleaded guilty Monday morning. Carl Hackleman and George Allen pleaded guilty last Saturday.

Swift and Hackleman, due to their age, will be sent to the state prison at Michigan City. Thomas, Allen and Johnson will go to the reformatory at Pendleton.

The five men blamed their part in the holdup to moonshine whiskey. Judge Himelick bitterly denounced the liquor business and asserted "so-called" good citizens have failed to do their duty in aiding the officers to enforce the law.

The court room was filled to capacity when the five men were brought from the jail. A few women were present.

Allen was sentenced first and Thomas second. Tears formed in Judge Himelick's eyes when he spoke of his friendship for Thomas and the other prisoners. He was forced to cease talking for a few moments. Many in the court room saw that he wept as he shielded his face with his hand.

Hackleman was the third man sentenced, followed by Johnson. Swift indicated to the court that he considered his part in the crime worse than that of the others. The prisoner stated he understood he was pleading guilty to the charge of

## LEE PYLE'S FATHER DIES

Richard M. Pyle of West Lafayette, Ind., Expires Tuesday

Richard M. Pyle, father of Lee Pyle, proprietor of the Rushville Steam Laundry, died at his home, 255 South Grant street, West Lafayette, Ind., Tuesday, and funeral services will be held Thursday. He was 83 years of age and had been in poor health for some time.

Mr. Pyle was at his father's bedside Saturday and Sunday. The deceased had visited here frequently and was known by a number of Rushville people.

He is survived by the widow and two daughters, one living in West Lafayette and the other in Pleasant Lake, Ind., in addition to the one son here.

## JACKSON VETOES FIRST MEASURE

Refuses to Sign Bill Increasing Tax  
Exemption on Real Estate Mort-  
gages to \$3,000

### HOUSE VOTERS FOR ROE BILL

Would Make County Unit System of  
School Government Optional  
With Counties

Indianapolis, Ind., Feb. 25.—Governor Jackson today vetoed his first bill, the house measure to increase the tax exemption on real estate mortgages from \$2,000 to \$3,000.

The bill can be passed over the governor's veto by a two-thirds vote of both houses.

The governor signed the bill authorizing the state highway commission to aid in construction of a bridge across the Ohio river at Evansville.

The house today adopted a committee report recommending passage of the Roe bill to make the county unit system of school government optional with the counties. The bill was introduced in the house after the Steel county unit bill had been killed in the senate.

Opposition to the provisions of the bill to require cities to pay one-half of the cost of railroad track elevation within their limits was renewed last night at another public hearing on the measure before the committee.

Robert Hammond, of Fort Wayne; William J. Hosey, mayor of Fort Wayne; and Guy Colerick, Fort Wayne city attorney, all spoke in opposition to the measure.

Mayor Roswell O. Johnson, of Gary, opposed the bill on the contention that it would take some of the power away from the cities and give it to the public service commission.

Democrats in the senate today were determined to hold their hands on the throttle to prevent hasty passage of the general appropriation bill in that body.

The first indication was given of this when they held a caucus before the senate convened yesterday afternoon. Convening of the senate was held up forty minutes while the democrats discussed their plans for action when the senate considers the bill.

It was also learned that they planned to bolt and leave the senate without a quorum if the Penrod bill for realignment of the second and third congressional districts is handed down for passage.

The bill would transfer Lawrence county from the third to second district. This would make the second district solidly Republican.

Bus operators were elated today over their victory in the house yesterday where the Moorhead senate bill for public service commission

## TO DELIVER THREE ADDRESSES IN CITY

Paul V. McNutt Will Speak to Ki-  
wanis Club, High School and  
Meeting of I. U. Alumni

### TO SPEND THURSDAY HERE

Is Professor of Law at Indiana University and Has Taken Prominent Part in Military Affairs

Paul V. McNutt, professor of law at Indiana university, who will be the principal speaker at the weekly meeting of the Kiwanis club at the Social club Thursday noon, will also address the high school in the afternoon, and will speak at a meeting of alumni and former students of Indiana university at the court house assembly room Thursday evening. He will discuss the subject, "The Duty of the State," at the Kiwanis meeting.

Professor McNutt is known throughout the state as a speaker of ability. He is a former president of the Indiana University association of alumni and former students and has a wide acquaintance among Indiana University's 27,000 alumni and former students. Professor McNutt is also active in military affairs and at present holds a commission as colonel in command of the 325th field artillery of the reserve.

The Kiwanis speaker received the A. B. Degree with high distinction from Indiana University in 1913 and became assistant professor of law at the state university in 1917 after he had received the LL. B. degree from Harvard University. He resigned from the I. U. faculty to enter the war service in 1917 and in 1919 returned to the university with the rank of professor. During the war he was commissioned captain of field artillery at Ft. Benjamin Harrison and was promoted through succeeding grades to the rank of Lieut. Colonel. Prof. McNutt is a former president of the Reserve Officers Association of Indiana.

Col. McNutt is a son of Judge and Mrs. John C. McNutt, of Martinsville. He holds membership in the University Club of Indiana, the County Club of Bloomington, the Beta Theta Pi and Acacia fraternities, and the national honorary societies of Phi Beta Kappa and Phi Delta Phi.

While a student at Indiana University, Prof. McNutt was president of the Indiana Union, president of the senior class, editor-in-chief

## TWO RUSH COUNTY BOYS ON PURDUE HONOR ROLL

John R. Rees of Manilla and Wal-  
lace E. Beer of This City Among  
103 Students Selected

### REQUIREMENTS TO WIN PLACE

Lafayette, Ind., Feb. 25.—One hundred and three students of Purdue University are on the first honor roll ever prepared at the university which was made public today. The roll, known as "Distinguished Students" was compiled by Register R. B. Stone, following a vote of the faculty for such a plan, in order to give proper recognition to high scholastic attainment. It is in line with the policy instituted by President E. C. Elliott to recognize publicly outstanding work in the classroom.

To be listed as a Distinguished Student, the members had to have at least three fourths of their grades for the past semester A, which means 90 or better; and no C grades which is from 50 to 70. The list includes 26 freshmen, 24 sophomores, 23 juniors and 30 seniors, and among the juniors is Carl Cramer, of Angola, center on the varsity basketball team. Several other athletes also are included, showing that some of them have time to participate and still achieve scholarship honors.

Two Rush county students were in the honor list. They were: John R. Rees, Manilla, a senior in the School of Agriculture and Wallace E. Beer, Rushville, a junior in the School of Mechanical Engineering.

fifty one miners killed in the explosion.

All business houses in Sullivan and schools throughout the county will be closed during the hour of the memorial exercises.

Ministers of all the Sullivan churches will participate in the memorial and brief obituaries of the dead miners will be read.

The investigation into the cause of the blast will be resumed Thursday by Thomas Dally, state mine inspector.

Dally and his assistants were called away from the investigation yesterday by an explosion at Wheatland in which one miner was killed and another was seriously burned.

N. K. Harris, county prosecutor, is marking time in his investigation until the state probe has been completed.

Harris said today that future action of the county grand jury will depend on the nature of the report of the state mine inspector.

If criminal negligence is found to have been responsible for the catastrophe, the grand jury will be called in special session immediately, Harris said.

Funerals of two more victims were to be held today.

Sullivan citizens at a mass meeting last night pledged full cooperation to the Red Cross in its program of relief for the destitute families.

Baker outlined plans for taking care of the immediate needs of the miners' families and for creating a fund to educate the orphaned children.

Only two democratic members of the senate were in their seats when the senate was called to order this morning. Members of the minority locked themselves in a room at the Claypool hotel and refused to leave. A door keeper was sent to bring them back and was locked in with them.

"The democrat senators will not meet with this body until the Penrod bill is withdrawn," Senator Cravens informed Senator Nejd, republican floor leader.

"It is purely a political measure introduced for the benefit of one of the members who wants to run for congress."

After a heated tilt with Senator Cravens, Nejd said "the democrats will go to—, and go home, before we will withdraw the Penrod Bill."

SEN. MCCORMICK DIES SUDDENLY

Apparently in Good Health When He Arose This Morning—Seized by Attack at 9:30

TERM EXPIRED IN A WEEK

Washington, Feb. 25—Senator Medill McCormick of Illinois, died suddenly here today at his hotel of gastric hemorrhage.

McCormick apparently in good health when he arose this morning, was suddenly seized about 9:30 o'clock and expired almost immediately.

McCormick's term would have expired a week from today as he was defeated for re-nomination last fall by Charles Dineen. He had recently been prominently mentioned for appointment as ambassador to Germany.

McCormick entertained a few friends in his rooms last night after the night session of the senate, according to the hotel manager, W. A. Brese. He arose as usual about 8 a. m. the hotel maids reported to the manager.

Shortly after 9 a. m., Brese said, no one answered the phone in McCormick's room and he went up to see if anything was wrong. He found McCormick dead in bed, with evidence that death had stricken him suddenly.

Brese summoned a doctor who said the Senator had apparently been dead about an hour. The doctor gave gastric hemorrhage as the cause of death. There were some evidences of hemorrhage in the room.

Representative Nichols, Longworth, Republican leader, was one of the first of McCormick's friends to reach the hotel.

No announcement of McCormick's death was made on the floor of either house for some time in order to allow ample time for Mr. McCormick's friends to notify Mrs. McCormick who was in Chicago with Mrs. Alice Roosevelt Longworth.

After an investigation at the hotel, Detective Bernard Thompson, of headquarters, announced "there were no suspicious circumstances" and the coroner issued a certificate of death "due to natural causes."

The body will remain at the hotel until Mrs. McCormick arrives to take charge of it.

McCormick was the senior senator from Illinois. He was born in Chicago in 1877, the son of Robert S. McCormick and Katherine Medill McCormick. After graduating from Yale in 1900 he returned to Chicago to become affiliated with the Chicago Tribune, a family property. His political life included the vice chairmanship of the progressive national committee from 1912 to 1914, two terms in the Illinois general assembly and one term in the national house of representatives, 1917-1919. He was elected senator from Illinois in 1919.

McCormick married the daughter of the late Senator Mark Hanna of Ohio in 1903. They have three children.

Senator Had Been Ill

Chicago, Feb. 25—In a state bordering on collapse Mrs. Medill McCormick, widow of Senator Medill McCormick, engaged accommodation on the afternoon train for Washington where she will take charge of the senator's body.

Mrs. McCormick received two long distance phone calls from the senator yesterday. In the second call the senator said he was ill, and Mrs. McCormick telegraphed a Washington newspaper correspondent, close friend of the family, to visit the senator. The last word before today's announcement of the death, came last night, stating that the senator was sleeping.

Senate Adjourns

Washington, Feb. 25—Following adoption of a resolution expressing its "deep regret and profound sorrow" at the death of Senator Medill McCormick, Illinois, Republican the senate adjourned until Thursday.

regulation of busses was passed second reading with amendments. The principal amendment, endorsed by the operators, would prevent the commission from taking into account the service of railroads and traction lines in granting the operators certificates of convenience and necessity.

A similar amendment was killed when it came up for second reading in the senate by a narrow majority.

Some legislators were doubtful today as to the advisability of continuing the investigation of the affairs of the state highway commission. They do not believe they have enough time.

In the meantime Representative Kissinger, of Columbia City, declared he intended to press his bill for abolition of the road body. The bill would create a non-partisan body of four members.

The Kissinger "Blue Sunday" bill was awaiting third reading in the house today following its revision on second reading late yesterday. Amendments offered by the author eliminated the section for the closing of places for recreation and refreshment.

These and other amendments revised the bill to make it practically the same as the present "Blue Sunday" law but with little stronger penalties.

After defeating amendments the house passed to engrossment late yesterday the Hammit voters registration bill. The bill bases permanent voting lists on the poll books of each general election. The poll lists of the coming municipal election primaries would be the basis for the fall election this year.

A survey of the wealth of the state is provided for in a resolution pending in the senate where it was introduced by Senator Holdeman, of Elkhart. The survey would be made to give the people enough information to vote intelligently on the income tax amendment to the state constitution if it comes up for referendum, the author of the resolution said.

The house yesterday approved the purchase price of \$40,000 by the state for the Indiana Dental College at Indianapolis when the bill introduced by Rep. Harris of Gary, was passed to engrossment.

nor remember how he looked. The check here was also for \$16.

At the Howell Brothers vulcanizing and tire shop he made a purchase of an inner tube for a tire, and also gave a check for \$16.

At the Sanitary Meat Market he bought some meat and gave a check for \$16. He also went to the meat shop at the A. & P. store, operated by the same management as the Sanitary Meat shop which he had previously visited, and here he made a purchase and gave a check for \$10.

His efforts to cash the check in the grocery department at this store failed, and he then presented it to the meat department operated by Mr. Cook, after making a small purchase.

In all instances the checks were written in advance and looked like genuine checks.

## FIGHT CHALLENGES TO BE CONSIDERED

New York Boxing Commission to Decide Who Will be Next Opponent for Jack Dempsey

EITHER WILLS OR GIBBONS

Both Heavyweight Champions Have Filed Challenges With the Boxing Commission

By HENRY L. FARRELL  
(U. I. Staff Correspondent)

New York, Feb. 25—Challenges for the heavyweight championship filed by Tom Gibbons and Harry Wills will be considered by the New York boxing commission at its regular meeting here today.

Two members of the commission it is understood, will vote that Gibbons and Wills should meet to decide the next opponent for Jack Dempsey or to succeed him as the champion in the event that he decides definitely to retire from the ring.

Eddie Kane, Gibbons' manager, who filed his challenge last week, was to leave today for Chicago.

"There is nothing more for me to do," Kane said. "I am willing to accept any proposition that is offered by the commission. Gibbons is willing to meet any heavyweight that goes. He is claiming the heavyweight championship and he is willing to meet anyone who disputes his claim."

Kane doubted that Wills would agree to participate in an elimination contest with Gibbons. "When Wills was offered a contest with Gibbons last December in the feature bout for the benefit of bad hands," Kane said, "We think his hands are still bad."

Paddy Mullins, Wills' manager, said he would have to think over any proposition offered by the commission.

"Wills," he said, "is willing to meet Gibbons, but we do not feel that he should be required to prove his right for a fight against Dempsey. Gibbons has been beaten once by Dempsey and Wills never has been given a chance. If Dempsey is not going to fight again, we'll take Gibbons."

Bill Gibson, manager of Gene Tunney, the American light-heavyweight champion, may ask the commission to consider Tunney as a challenger although he has not gone through the formality of filing a challenge and the forfeit of \$2,500.

New York—Records for the former intercollegiate indoor championships were broken when 820 entries were received from 22 colleges and universities. The games are to be held here on March 7. Penna won the championship last year.

### CAN HISTORY REPEAT

If history repeats, Rushville should win from Liberty Friday night. Fifteen years ago this weekend, Rushville had Liberty at their mercy over here 37 to 17. Howard Ewbank and Frank Cameron were guards for Rushville; Donald McRoberts played center; Verl (Doc) Bobout and Howard Wilcoxin forwards.

That long boy McRoberts was a good shot. He played somewhat like Lakin, and averaged around 8 goals a game.

### Says Lions Will Have to Scrap

Arlington, Ind. Dear Hittin' 'Em:—Well, we are going to have a real scrap over this way Friday night. Moscow comes up to play our boys. Each has a victory to their credit in two former meetings. Naturally each shall want the rub. A battle royal!

Arlington has slumped recently, but watch as by tournament time. Bundy sprained an ankle Monday evening, and under all probability will be out Friday night. But we're promising Rushville she will have a scrap at the sectional by the time Milroy, Arlington, Moscow, Carthage get through with her.

Yours, A. H. S.

### NEWCASTLE MAN WINS CHECKER TOURNAMENT

So says a newspaper headline. Glad they won something up north. About time for the horse show tourney and big marble games next.

Shelbyville and Greensburg are sure at it hard these days. Greensburg says "Traunt those Camels" and Shelby hollers back, "Bring on Greensburg." Shelbyville has been kidded considerably about meeting recent defeats at the hands of Newcastle and Columbus, but now it is Shelbyville time to kid.—Milroy 23; Greensburg 21.

Short Passes refers to the picture of the Greensburg team in the Sunday Star, and comments as follows:

Along with the result of his game appeared the pictures of the Greensburg players in the Indianapolis Star. And there they were ticketed as probable dark horses. They're dark alright, so dark they will never see the light.

### LOOKS BAD IN PRINT

Up at Kokomo, after their defeat by Logansport last week, "From the Press Box" says: "Lessee. That makes us two wins and 17 losses for the season, doesn't it?" Most of those losses were forfeit games, imposed for playing Beatty, ineligible floor guard, so their record isn't as bad as it appears.

The tall boys of Marion, called called the String Beans, will play down at Newcastle Friday night, closing the season for the two schools. Markin' 'em up is anxious for a victory. So anxious is he, that he shouts out, Shell those string beans!

### It Was More Than a Taste, a Real Bite

Rushville had a taste of that boasted Wabash Valley competition Saturday night, drubbing Garfield of Terre Haute 45 to 30. Even the seconds defeated Garfield's second crew, making it unanimous.

—Basketballs, Washington

### NO WONDER THEY LOST

The Connersville team made their initial appearance at Richmond, all dolled up in the new sweat pants. Oh boy, if there is anything that looks as sissy and silly as those things, you will have to show us.

### The Brick Almost Got Lost Last Week

Crawfordsville and Lebanon played Friday night at Crawfordsville. Lebanon took its Brick along that it won from Greensburg the week before. Crawfordsville won in an overtime game and kept the brick.

—Greensburg Banner

### We Thought Newcastle Won From Them First of all

Shortridge has won 17 games out of 18 played—Martinsville was the only team to drop them.

—Free Throws, Connersville

DON'T WORRY ABOUT WHERE TO BUILD THAT NEW GYM PUT THE DEAL ACROSS FIRST, AND THEN FIND A PLACE FOR IT.

Those Red Birds out at New Palestine will also be in the running in that independent state tourney at Indianapolis. They won with little opposition in their sectional. Their first victims were the Indianapolis Turks 33 to 24; the second round saw Morristown fall 34 to 26 and the final game Mt. Comfort threw the sponge 29 to 17.

### WE KNEW THEY WOULD RUN OUT OF CUPS BEFORE THE SEASON ENDED

Word from New Palestine also tells about a tourney held in Morristown recently in which the Red Birds won out in the final game. Business men of Morristown donated money for a trophy, but so far as the Red Birds have been able to find out, the Trophy is still being made.

## Congratulates Winner

Here we have Cyril Walker, national open golf champion, congratulating Walter Hagen, British open titleholder, following their match for the "unofficial" championship of the world" at St. Petersburg, Fla. Hagen, it will be recalled, won easily, 17 to 15.

### ARLINGTON

## PLAY BENEFIT GAME FOR SULLIVAN RELIEF

Athletic Directors at Wabash and Indiana Universities Consider the Plan

### RED CROSS WOULD BENEFIT

Indianapolis, Feb. 25—Arrangements for a basketball game between Indiana University and Wabash college for the benefit of the families of the dead in the Sullivan mine disaster were being discussed today by officials of the two schools.

Athletic directors of both the schools expressed their approval of the proposed game if a debate can be arranged.

The move for the game was started by the Indianapolis Times in receipt of word from Red Cross workers at Sullivan that conditions in the stricken homes are far worse than have been pictured.

### FIGHTS AND FIGHTERS

Los Angeles, Calif.—Mickey Walker, world's welterweight champion knocked out Bert Colina, California, in the seventh round.

New York—Clyde Jackle, Columbus, won a ten round decision from George Lee, Worcester in one of the lightweight elimination contests.

Cleveland, O.—Carl Tremaine, Cleveland bantamweight won a 12 round referee's decision from Eddie (Cannoball) Martin, world's bantam champion. The tilt was not involved as Tremaine was overweight. Tremaine kept the lead all during the fight and was "entitled" to referee Matt Hinkle's decision.

Chicago—Harold Smith, Chicago bantam signed to meet Eddie Anderson of Moline of Milwaukee on March 6.

Columbus, O.—Jack Reynolds, Indiana welterweight wrestling champion, retained his title in a match with the Japanese matty Matsuda. Reynolds won the first and third.

### Magnates Want Spring Coin

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, Feb. 25—Ban Johnson's suggestion that pennant-winning teams be prohibited from making a spring exhibition trip together has resulted in numerous protests from within and without the baseball family. Johnson's suggestions always have a way of arousing criticism from certain quarters, but in this case the protest was more general.

In making his suggestion, Johnson said that it would cheapen the world's series and decrease interest in the real fall series. Perhaps he is right. He doesn't want baseball cheapened and neither do the club owners, because the only way baseball can really be "cheapened" has always been avoided carefully by the magnates. The price of tickets remains the same.

Perhaps Johnson is right that a spring world's series played between the major league champions would not be good for baseball. No one who is familiar with the ways of baseball players would think that the players would be as keen for victory on an exhibition tour as they are in a world's series when about 4000 a piece, representing the difference between a winner's loser's share is at stake. A long series of games might result in some hippodroming.

Players have grumbled ever since the club owners found that they could pick up a lot of money by engaging in a lock of exhibition games on the way north from the spring training camps. The players get nothing for their labor and the hops from town to town are not designed for comfort or convenience. No player is going to risk injury in an exhibition game that might put him out for the season or end his career in the big leagues. The players also may ask why two champion teams should be permitted to play an exhibition series when pennant-winners are not allowed to barnstorm as a team in the fall, when they could make some money for themselves.

There is a silly argument being advanced that baseball belongs to the public and that the residents of towns far distant from the big-time circuits have a right to see the champion teams in action. When did baseball ever belong to the public and what of it? Baseball belongs to the major league club owners. They make the rules and set the prices.

Permanent roads are a good investment —not an expense

## The High Cost of Postponing Permanent Highway Building

Poor motor roads stifle industry and agriculture, waste huge sums annually in high maintenance costs, and greatly increase gasoline, tire and repair bills.

There is not a state, not a county, not a community, that isn't paying a heavy price for having too few permanent roads.

There are still many sections of the country—even whole states—that are trying to operate twentieth century traffic over nineteenth century roads.

This is costing millions of dollars every year, and will keep on costing millions until we have well developed permanent highway systems everywhere.

Even what we often call the more progressive communities are far behind the demands of modern highway traffic with its 17,000,000 motor vehicles.

From the Atlantic to the Pacific, and from Canada to Mexico, we need more concrete roads—the roads for twentieth century traffic.

Your highway officials want to be of the greatest possible service to you. Get behind them with ways and means that will provide more concrete roads and streets. Such an investment will pay you big dividends year after year.

The Ladies Aid Society of the First United Presbyterian church held their regular meeting Tuesday afternoon at the home of Mrs. W. J. Waite.

The members of the M. E. church orchestra of New Salem were entertained at the home of Mr. and Mrs. Edgar Martin on Morgan street Monday afternoon. The afternoon was spent in the practice of special music for the church services.

Friends and neighbors of Mr. and Mrs. William Lewark of near Connersville, surprised them with a pitch-in dinner Tuesday. Those present from this city were Mrs. Jacob Myers, Mrs. Oliver O'Brien, and Mrs. George Roller.

The Psi Iota Xi sorority held an open meeting Tuesday evening at the Social club rooms at which time Mrs. Demarechus Brown of Indianapolis gave a splendid lecture on "Old England." One hundred and thirty guests were present for the meeting. Punch and cakes were served after the lecture.

Carroll Miller spent Saturday with his brother Virgil, who is employed in Indianapolis by the Great Atlantic and Pacific Tea Company. Sunday they motored to Terre Haute and spent the day with Miss Amelia Scott and Miss Cora Wampler. In the evening they formed a theatre party and saw "Frisco Kid" at the Liberty theatre.

The Sorosis Club of Glenwood held a delightful meeting Tuesday afternoon at the home of Mrs. Fred Martin. The program opened with responses to the roll call of current events. Mrs. Curtis Scholl prepared a paper on "Russia and Her People before the War," and Mrs. Hugh Dickey discussed "The Russian Revolution and Soviet Government." Special musical numbers were given by different members of the club. Two guests, Mrs. Frank McCrory and Mrs. Helen Smith, were present besides the members. Dainty refreshments were served by the hostess, as the closing feature of the meeting.

Relatives and friends delightfully surprised Mrs. John Land at her home in Knightstown, Sunday reminding her of her seventy fifth birthday. A delicious pitch-in dinner was served at noon. The guests were, Mrs. Lydia Land of Westport, Ind., Mr. and Mrs. Will Land, Mr. and Mrs. Elba Land and daughters May and Maud, Mr. and Mrs. Emmet Surber and son Ivan and daughter Helen of Newcastle, Ind., Mr. and Mrs. Arthur Land and daughter Ruth, Mr. and Mrs. Harold Land, Mr. and Mrs. Ransome Kimberly, Mr. and Mrs. Hiram Crump and son Albert of Mt. Leonard, George and Carlos Land. Several valuable and useful presents were received. The afternoon was spent informally with musical selections on the Brunswick.

A dance will be given Thursday evening at Price's hall in Glenwood. The Nightingale orchestra will furnish the music for the dance.

The Always Present Class of the Main Street Christian church will meet tonight at the home of Mrs. Morris Howell in East Second street and all the members are urged to attend as business of importance will be transacted.

Mr. and Mrs. Fred Addison entertained with a dinner party at their home in Milroy Sunday. Covers were laid for Mr. and Mrs. M. E. Jackson and daughters Myrtle and Alma of Greenfield, Mr. and Mrs. E. B. Hildreth and son Billy Burton of Bath, Mrs. Glenn Kaler, Pauline, Fred Keith and Randal Addison.

About two hundred people attended the social and kitchen shower given by the Rebekah Lodge Tuesday evening in the new lodge rooms, corner of Third and Morgan streets. The shower was for the new kitchen in the lodge rooms and many pieces of linens and cooking utensils were received. A most enjoyable evening was spent socially in games, contests and dancing. Music was furnished by Linville's string trio. Refreshments of pie, ice cream and coffee were served during the evening.

Mr. and Mrs. Frank McCrory entertained in honor of their daughter, Helen's fourteenth birthday anniversary, Saturday afternoon at their home north of Falmouth. Contests and games were features of entertainment and prizes were won by Thelma Jackson and Frances Richardson. Refreshments of ice cream, cake, mints and punch were served by the hostesses, assisted by Mrs. John McCrory, Mrs. Fred Martin and Mrs. Helen Smith. The guests were Thelma Jackson, Esther Walsh, Louise and June Jeffrey, Margaret and Clementina Saxon, Dorothy and Margaret Rowe, Mary Lovejoy, Ruth Thomas, Helen Smith, Mildred Harley, Jessie Parker, Edna Wiley, Edna Richardson, Mildred Dolan, Opal Johnson, Lillian Geise, Josephine Borgerding, Hazel Carr, Frances Richardson, Janet and Alice Martin, Rea Smith, Frances McCrory, Dan Rea, John McCrory and Russell Link. Many beautiful remembrances were received by the honored guest.

### Franklin Will Pay Off Debt On High School Gym This Year

Continued from Page One  
The \$5,000 was the first payment, and the bond issue was floated. As said before the total cost exceeded \$30,000, but the bonds which have been paid off at the rate of more than an average of \$5,000 yearly from receipts at the games and from other sources of income, will deliver the building free of all debt in a few weeks.

Besides the athletic contests, the building is in great demand for community meetings such as public addresses, chautauques, indoor shows, and similar events, most of which pay an established rental fee that applies to the amount of indebtedness.

This building at Franklin seats 2,500 persons. The length of the building is 140 feet and width 84 feet. The playing floor is 50 by 70 feet. It is located on the same lot with the high school building, and the heating plant in the school provides the heat, which eliminated the cost of an additional system.

A small basement is under one end of the gym. This is used for dressing room accommodations, shower baths, and for storage. The building has plenty of distance due to the steel girders that support the roof. There are no beams or supports to interfere with the view of spectators.

This building is only one of several in the state which is rapidly paying out of debt.

### THE OLD HOME TOWN By Stanley

Over a period of years

THE Ford car has remained the undisputed leader for value in the motoring world. There are certain fundamental reasons why this is true. It is a car, properly designed and staunchly constructed, having a motor which has proved itself reliable, long-lived and economical.

It is adequately serviced by an organization reaching to every community and neighborhood. These combine to give the Ford car the highest resale value in proportion to list price.

And as production volume of the Ford has grown the purchase price has been steadily reduced.
